THE LATEST NEWS AND IDEAS FOR AN ON-TREND AND BEAUTIFULLY COORDINATED WEDDING.

NEW! Just Perfect Wedding and Event Gallery

A brand new concept in wedding planning has been created by Wendy Reed of By Wendy Bespoke Stationery. In conjunction with Carabelle Chair Covers and Tiamo Wedding and Event Planners, Wendy has created the UK's first wedding showroom.

Like a permanent wedding fair, Just Perfect Wedding and Event Gallery has information on some of the region's top wedding suppliers under one roof. Brides can visit the gallery to get ideas and inspiration, see what's available and make appointments with the featured wedding suppliers.

With a relaxed and informal setting, the aim is to provide the complete wedding planning service without the hustle and bustle you can get at a fair. Exhibitors include: Kirkley Hall, Novotel Newcastle Airport, Fi's Fancies Celebration Cakes, Eclipse Bridal, Wrapped 4 You Personalised Chocolate Favours, Squeak Unique, Little B Bunting, The Finishing Touch Company, Popcake Kitchen, House of Cake, Mark Deeks Pianist, the Paul James Band, Fern Event Florist and Mandy Charlton Photography.

Most exhibitors will offer exclusive discounts for bookings via the Just Perfect Wedding and Event Gallery.

Open Tuesday to Saturday, 11-5pm and by appointment only for any other time. Admiral Business Park, Cramlington, Northumberland, NE23 1WG

The Quirky Table Plan...

The wine cellar inspired this unusual table plan by Your Personal Touch and Charlie's Missus. We love the vintage bunting-style stationery with a delicate lace trim and the eco-chic way to recycle cork.

Feeling Festive?

Create an alternative winter wonderland by having a rustic and traditional Nutcracker theme. For this table setting, classic Christmas decorations, tartan and vintage books were used to create a warm and welcoming wedding theme. The bauble cakes make great favours and the paper chains, candles and real orange escort cards are simple but effective touches.

Money Saving Tip!

Instead of giving your guests both a favour and a place card on the table, combine the two to save some time and money. Popcake Kitchen offer fab favours that are personalised with the recipients name to create a place card- and they taste pretty delicious too!
